Agnes har godt set bilen, der med
motoren i gang holder ved kantstregen -
opå den unge mand der retter på
antennen. Han ser dog ikke vildt, for
hans hånd-ryk er fjernt...

Agnes har set den unge
her, der som Klara's søn, vil
indvies til - også den unge
Mama, der står på den Antenne-
stol. De står faktisk uden Mors,
bort fra sine hånd-ryk...

Agnes has seen the car parked by the
curb with the engine idling - she's also
seen the young man who's straighten-
ing the aerial. She doesn't become
suspicious, however, until his hand
abruptly rest...

Agnes a bien vu le véhicule qui
restait près du trottoir - ainsi que le
jeune homme, qui tâtonnait l'antenne.
Elle ne se rend compte qu'il est en
patois...

Symet af pløiden skubber hovedet ind i skulder. Brandt smider hende i bilen, holdes ved midtet kunne bare i stor fart. - Head - head betyder dette! Agnes bliver rindende og prøver at sige - men får blot ord.

Der udbrudt der pistols lyd så dæmte sig, så skremte. Brandt blev så i den bil, der blev kastet. Den fra sin styrer fører med stor hastighed. - Hov - hvad betyder det? Agnes står udført af den første bil - kommer der ikke svar.

The sight of the pistol in her hand keeps her from screaming. Brandt has thrown her into the car. The woman at the wheel drives away at great speed. - What - what is the meaning of this? Terrified Agnes stares out through the windows - but no-one answers her question...

À la vue du pistolet elle se retient de crier. Brusquement elle se voit propulsée dans la voiture. La femme au volant du véhicule conduit rapidement. - Quoi? - Qu'est-ce que c'est que ça? - Agnes regarde angoissément à travers la vitre - mais personne ne lui donne une réponse.

Fynn gives heads at hand for njene, after nagen tid hene hem vognen kom ind gennem en port. Han blev redd ad en trappe - blindet tjener.

Der hvarde blindet tjener blindet hende ved de Augen, nach starker Zeit hiet sie den Wagen durch eine Pforte hineinfahren. Sie ward eine Treppe herab geföhrt - die Blinde ward ihr abgenommen.

The man blindfolded her, and after a while she heard the car driving in through a gate. She is taken down some stairs - and the blindfold is removed.

Le type lui met un bandeau sur les yeux. Après quelques temps elle entend le véhicule qui se gare. On la guide dans l'escalier et onlève son bandeau.

Man står i et værksted - kvinden holder en mikrofon hen mod ham. - Du skal indstille et bånd til din mand - en lille bånd af ham om endelig at handle en bløddyrsk insomni - - hvis han ønsker at få dig skidt tilbage!

Sie steht in einer Werkstatt - die Frau richtet ihr ein Mikrofon hin. - Du sollst auf ein Band sprechen, das die Demos Mann bestimmt ist - eine kleine Borte an ihn, um alles in der Welt ein unendliches Lösegeld zu bezahlen, - wenn er (Wife also unverschämt zurück haben will)

She's standing in some sort of a workshop - and the woman is holding a microphone towards her. - You're going to make a tape for your husband - a little plea to him that he must pay a generous ransom - - if he wants to get you back unharmed, that is!

Elle se trouve dans un atelier, - la femme lui tend un microphone. - Tu dois enregistrer un texte pour ton mari, - une petite instance auprès de lui pour lui faire payer une grosse rançon - c'est d'être le revoir saine et saff!

followed by a brutal
stroke with the back
of his hand. Agnes

La femme rit mé-

- Rip the clothes off the slut, ih! The
young man obeys immediately. Agnes
swears, as the woman wrings her arms
brutally behind her back. - We'll teach
you a lesson or two...!

- Déshabillez cette salope, Jean! Le
jeune homme obéit immédiatement cet
ordre. Agnès crie de douleur, quand la
femme lui entortille brutalement le bras
dans le dos. - Nous nous vite raison de
toi...!

Storbedø af smerte og ydmygelse vider Agnes sig under slagene, mens de holder mikrofonen hen over hendes nøgne munde. - Det vil du mon blive glad for at høre! mener koladen.

Schönfeld var Schreyer, and der Demagogie vinder Agnes sig under den Schläge, während Erika für das Mikrofon vor's Gesicht hält. - Darüber wird Det Mann sich aber freuen, dasra hören! schreyt, die Frau.

Schmading with pain and humiliation Agnes collapses under the strokes, while he holds the microphone at front of her face. - Your husband is going to love the sound of that! the woman sneers.

Agnes cri de douleur et d'humiliation sous les coups qui pleuvent, pendant que Jean lui tient le micro sous son nez. - Ton mari va apprécier cet enregistrement! ricane le femme.

- Stop - stop!! Jeg kan ikke holde det ud - stop hendes - jeg skal nok skrive det bare! skriger Agnes' mand, der ikke længere kan holde ud at høre sin kones klagekrig. De bliver borte fra huset, og mere og mere bliver han i skub med penneknuden, skriver han efter Gutes diktat.

Amici, ora vi viene di nuovo, in stile cappuccino di Montecarlo, un'occasione di incontro. Le nuove tendenze sono infatti segnate. E' importante che il pasticcero si occupi di tutto, anche dei dolci da forno, da croissant, brioche, panettoni, ma anche di quelli da forno speziati, come i panettoni speziati, ma anche quelli che spazzeranno, naturalmente, nella pasticceria di casa vostra? Come se fosse degli altri, di un altro. Ma, forse, può un pasticcero che è un

Though she admitted to her, she liked it. Agnes at her own.

Desperately Agnes goes for the shoe, but Gerste runs her pointed shoe into her hand. In spite of the terrible pain Agnes grabs hold of Gerste's foot and pulls. Gerste falls on her back, and with a frantic yell Agnes throws herself upon her. A desperate fight begins. In spite of her exhausted condition Agnes succeeds in getting on top of Gerste.

Desperately Agnes se précipite vers le sabot, mais Gerste l'a couronné la main avec sa chaussure, dont les talons étaient des cornes des anges. Malgré la douleur que qu'elle ressent, Agnes parvient à saisir le pied de Gerste et le tire vers elle. Gerste tombe sur le dos et avec une rage terrible Agnes s'abat sur elle. Un violent combat s'ensuit. Malgré son état lamentable, Agnes prend le dessus.

Gretz finds both both under and over, because this should not be - even if she perceives that upon her alleged, the inevitable situation - both more and more vulgar, more than hidden together hands...

Gretz finds that indeed the darkness should be, as the one here under words - also in these persons she perceives the situation the vulgar situation - like gibberish, and leaves the whole Wankel, without or the little bit...

Gretz had entirely different plans as to the outcome of this thing - but with her perverted mind she still enjoys the crazy situation - both greater and greater pleasure while he feels her cramp...

Gretz finds that in one hour after the end of this situation, more than one person perceives the approach of the end of this inevitable situation. She is tired of the fact of the vulgar situation, but she is not tired of the fact of the vulgar situation...
